NOTICE

RE: Violation of Requirement to Submit 1994 Irrigation Questionnaire

Our records indicate that the 1994 Irrigation Questionnaire has not been submitted for Permit No 2157-3. The request for the Questionnaire was dated November 3, 1994. The Water Management Board has directed that owners of water permits who have not submitted the 1994 Irrigation Questionnaire be given notice of hearing to determine if any Board action is to be taken concerning the violation.

The hearing will be held at 9:30 am, March 8, 1995, in the Crown Room, 3rd Floor, Kings Inn Best Western Convention Center, 220 S Pierre, SD and will be conducted pursuant to SDCL 46-1-12, 46-1-14, 46-2-9, 46-2-11 and 46-2-17. These are contested case hearings pursuant to SDCL 1-26. Following the hearing, the Water Management Board can:

1. Amend Permit No 2157-3 to require the Irrigation Water Use Questionnaire to be submitted each year;
2. Postpone any action; or
3. Take no action.

The hearing is an adversary proceeding. The permit owner has the right to be present or to be represented by a lawyer. These and other due process rights will be forfeited if they are not exercised. Decisions of the Board may be appealed to the Circuit Court and the State Supreme Court as provided by law.

If the questionnaire is received in this office on/or before March 3, 1995 your name will be deleted from the Board agenda.

Very truly yours,

Ron Duvall, Natural Resources Engineer IV

Dear Mr. Gulligan:

I am writing to acknowledge receipt of your 1994 irrigation questionnaire. I completed a questionnaire for you following my March 3rd telephone conversation with Mrs. Gulligan. The questionnaire reflects that you did not irrigate during 1994 due to excess moisture in your area. You may disregard the February 7, 1995, **Notice of Violation of the Requirement to Submit the 1994 Irrigation Questionnaire.**

The questionnaire was received in our office prior to the Water Management Board meeting and your name has been deleted from the agenda.

COMMENTS:

Spoke with Joan Gilligan concerning Water Right No. 2157-3 and the status of irrigation. It was due to come out of CRP this year. Mrs. Gilligan indicated the land was re-enrolled in CRP for another 10 year term.

Check with them again in 2019 to see if the land is eligible for irrigation again or if they enroll again in the program.

Dear Mr. Jongeling:

Thank you for taking the time to visit with me about Water Right No. 2157-3. I have enclosed a copy of the water right and map of the area for your records.

Enclosed is a partially completed "Notice of Transfer of Ownership" form for use in filing an ownership change. Please review and complete as needed. Upon completion, please sign and return the form to our office with a required filing fee of \$50. The check or money order for the fee can be made payable to the Water Rights Program.

I also included a summary of the statutes and board rules dealing with abandonment and/or forfeiture. Discussed are how a water right can be lost and what the Board has allowed for legal excuse for not irrigating. It will hopefully help answer some of the questions you asked.

Our records show the land has been enrolled in CRP for several years. Since the acreage is no longer in CRP, you will begin receiving an irrigation questionnaire for this property in October. If I can answer any questions, please give me a call.

Sincerely,
