Mr. Robert E Donnelly was notified January 11, 1980 that the \$50.00 fee for Water License had not been received.

Mr. R.E. Donnelly called this office January 15, 1980, said he had sent the fee in September, 1979. After checking it was discovered that Mr. Robert Donnelly had sent a \$50.00 check (which he had received from the bank)

In checking a George and Joe Donnelly they had a Water License written up from a check received same date Robert Donnelly check was received (Receipt No. 4 7043) this fee is for Mr. Robert Donnelly, as on

January 16, 1980, I called George Donnelly and Mrs. George Donnelly said she had mailed a \$100.00 check on January 15, 1980 for their two Water License's and we should be getting it shortly.

I called Mr. Robert Donnelly back and informed him of the mistake and he said he mailed another \$50.00 check. I told him it was not necessary and we would return it and he would receive his Water License as soon as it is written up and signed.

Also receipt No. 4 7043 is hereby transferred to Permit No. 3857-3 and with explanation on Receipt also.

This explanation is filed in both permits to justify the date on the later receipt No. in Permit No. 2465-3 (as the Water License was sent September 17, 1979) and the letter to Mr. Robert Donnelly on January 11, 1980.

RE: Failure to Report Chemical Use under Water Permit No(s) 2465-3

The first notice to file chemigation report(s) for Permit No(s) 2465-3 was dated 1/9/96. Our records indicate that we have not received the 1995 chemigation report for Permits No(s) 2465-3. The Water Management Board has directed that owners of water permits who have not submitted the 1995 chemigation report(s) be given notice of violation and of hearing before the Board. The hearing held by the Board is to determine what action is to be taken concerning violation of administrative rule 74:02:09:02(3). This rule requires chemigation users to report the type of chemical applied, the dates, hours and amount of chemical application.

The hearing will be held at 9:45 A.M. on March 6, 1996, in the Floyd Matthew Training Center, Joe Foss Building, 523 East Capitol, Pierre, SD and will be conducted pursuant to SDCL 34A-2A through 34A-2A-5; 46-1-12, 46-1-14, 46-2-11, 46-2-17. These are contested case hearings pursuant to chapter 1-26. According to SDCL 46-1-12, the Board may suspend a permit for a period of up to one year for the first violation or up to three years for the second violation, or cancel a permit for a third violation. Following the hearing, the Water Management Board can:

1. Suspend or cancel Permit No(s). 2465-3 in accordance with applicable provisions of SDCL 46-1-12;
2. Postpone any action; or
3. Take no action.

The hearing is an adversary proceeding. The permit owner has the right to be present or to be represented by a lawyer. These and other due process rights will be forfeited if they are not exercised. Decisions of the Board may be appealed to the Circuit Court and the State Supreme Court as provided by law.

If the chemigation report(s) is(are) received by this office on/or before March 1, 1996 your name will be deleted from the board agenda.

NOTE: Please contact the Water Rights Program, Joe Foss Building, 523 East Capitol, Pierre, SD (605-773-3352) to assure access to the meeting room for the handicapped or to obtain an interpreter for the hearing impaired.
