Please transfer my water permit to Percy Tjeerdsma. His address is:

Dear Mr. Genant:

I am writing to acknowledge receipt of your 2008 irrigation questionnaire. You may disregard the January 23, 2009, "Notice" concerning reporting requirements for Water Right No. 2492-3. The information was received in our office prior to the Water Management Board meeting and your name has been deleted from the agenda.

When I called to visit with you about the ownership change, we discussed dividing the water right to reflect the separate ownership. After looking at the water right, I am wondering if you would prefer to keep it intact and both your names on the transfer form. The reason I mention this is that if we divide the water right to reflect separate ownership, neither you or Mr. Tjeerdsma will have enough water on your respective water rights. This would mean that a new water permit must be obtained to increase the appropriation.

I spoke with Mr. Tjeerdsma today on the phone and he was agreeable to leaving the water right as it is and list both names. We can still divide the water right up if that is what you would rather do. Technically, a water right goes with the land so even at some point in time if you decide not to rent some of the land to Mr. Tjeerdsma, you are still entitled to your portion of the water right since you still own the land.

I am mailing Mr. Tjeerdsma the transfer form and he indicated he would discuss the issue with you prior to mailing it back to us. If you have any questions, please contact me.

Sincerely,

Dear Mr. Tjeerdsma:

Thank you for returning my call concerning the ownership change needed for Water Right No. 2492-3. I have included a copy of the water right for your review.

As we discussed, rather than divide the water right up to reflect separate ownership, it is fine to just put both your names on the form with your address as the main contact. Under South Dakota Water Law, a water right goes with the land and whoever has ownership of the land has the water right. So even at some point down the road if Mr. Genant decides not to rent the land in Section 18 to you, the water right could be divided and reissued at that time to reflect any necessary changes.

Enclosed is a partially completed Notice of Transfer of Ownership form for filing an ownership change. Please review the form and make any necessary corrections. Upon completion, please sign the form and return it to our office with a required filing fee of \$2.50. The check or money order for the fee can be made payable to the Water Rights Program.

Dear Mr. Tjeerdsma:

I am contacting you in regard to Water Right No. 2492-3 listed in the name of George Genant. In March, 2009, we discussed changing ownership of the water right and a transfer form was sent to you. On the annual irrigation questionnaire, Jody Genant reminded me that he had turned all of the irrigation over to you.

Enclosed is a partially completed Notice of Transfer of Ownership form for filing an ownership change. Please review the form and make any necessary corrections. Upon completion, please sign the form and return it to our office with a required filing fee of \$50.00. The check or money order for the fee can be made payable to the Water Rights Program.

Also enclosed is the 2009 irrigation questionnaire for the land described in the water right. Please complete the form and return it along with the transfer of ownership and filing fee. I have enclosed a postage paid envelope for your use in returning the materials.
