Dear Mr. Van Beek:

I am writing to acknowledge receipt of the 2003 irrigation questionnaire for Water Right No. 2570-3A. You may disregard the January 14, 2004, "Notice" concerning reporting requirements for Water Right No. 2570-3A.

I completed a questionnaire for you based on our January 16th telephone conversation. The information was received in our office prior to the Water Management Board meeting and the matter has been deleted from the agenda.

As we discussed, I have made a notation in the file that future irrigation questionnaires should be directed to your attention. With regard to ownership of Water Right No. 2570-3A, since the Gjefle's no longer own any of the land, your folks should submit another transfer of ownership form to change the water right to their names only.

Enclosed is a partially completed Notice of Transfer of Ownership form for filing an ownership change. Please review the form and make any necessary corrections. Upon completion, please have Everett sign the form and return it to our office with a required filing fee of \$2.50. The check or money order for the fee can be made payable to the Water Rights Program.

Thank you for calling and if you have any questions, please contact me.

NOTE: Water permits may be cancelled for nonconstruction after the five-year construction period has expired. Once a water permit is developed, an inspection is conducted to issue a water right license for the project as developed. A water permit/right may be cancelled for one or more of the following reasons:

1. Abandonment - no intent to use water and use is abandoned.
2. Forfeiture - no use of water for three-year period without legal excuse.
3. For a third violation of a condition of a water permit/right.

Dear Mr. Van Beek:

The South Dakota Water Rights Program is in receipt of the "Notice of Transfer of Ownership" form and the required fees you submitted for Water Right No. 2570-3A. Enclosed is a receipt of payment for your records.

Water Right No. 2570-3A previously held by Everett and Margaret Van Beek is now listed under yourself. I have also updated your contact information in our system.

As a reminder, so long as you use the water beneficially, as stated in the Water Right (copy enclosed), State Water Laws provide that you have a continuing right to use the water. Should the water not be put to beneficial use for a period longer than 3 consecutive years, without legal excuse, the Water Right will be subject to cancellation.

If you have any questions, please contact me.

Sincerely,
