Dear Mr. Donnelly:

This letter is in regard to Water Right Nos. 313-3A, 314-3, 1103-3 and 1104-3 listed in the name of Leo Donnelly. Louie DeSmet, Union County Extension Agent indicated in a telephone conversation with Burt Jones of this office, that Leo Donnelly was deceased and we should contact you concerning ownership of the land covered under this water right.

In order to keep our records up-to-date, it will be necessary for the water rights to be transferred to the new owner. If the land is still in an Estate, please indicate the name(s) of the person(s) responsible for irrigation of the land. The water right could be transferred to that party if they eventually will own the property, or could be put in care of them for the time being.

For your information enclosed please find copies of Water Right Nos. 313-3A, 314-3, 1103-3 and 1104-3. Also enclosed are partially completed transfer forms for transferring the water rights to the new owner. The forms should be checked over, dated, signed and notarized before returning them to this office with a \$2.50 filing fee for each (total of \$10.00).

Enclosed please find the 1982 irrigation questionnaires pertaining to the above described water rights. If possible please, have these completed and returned to this office for our records.

We would appreciate your assistance in this matter.
