December 16, 1982

City of Raymond
Raymond, South Dakota 57258

Dear Sirs:

September 10, 1982 you were notified the required final inspection fee of \$50.00 is due before Water License No. 3275-3 can be issued. As of this date, the fee has not been received.

The fee is a final step in the legal process of obtaining and perfecting a water right and is required by SDCL 46-2-13(3). Upon receipt of the \$50.00 fee, your Water License will be sent to you. You will also receive the Certificate of Construction as required by Statute. These are the final papers for the perfection of your Water Right.

A perfected water right is similar to a property right and once a water right is perfected, it cannot be lost as long as the water is used. Failure to pay the fee means that the legal requirements to establish a water right have not been completed and a property right has not been established.

Please submit the required fee immediately to avoid jeopardizing your water permit or advise if you have any questions.

Very truly yours,
