NOTICE OF INTENTION TO APPROPRIATE WATER

APPROPRIATION OF WATER
 Office of State Water Resources
 Commission, Pierre, S. Dak., December 10, 1956

Notice is hereby given that Robert Reiners whose postoffice address is Lennox, S. Dak., has made an application in accordance with the provisions of the water laws of South Dakota for a permit to appropriate for beneficial use 2.1 cubic feet of water per second of time from ground water through the Robert Reiners Diversion Work No. 1, the point of diversion of which is to be located in the SE 1/4 of the SW 1/4 of Section 18 Twp. 98N Range 52W. Said water to be used for the purpose of providing irrigation on the following described land:

SW 1/4, Sec. 18, T 98N, R 52W.

This application will be taken up by the State Water Resources Commission at their office at Pierre for consideration upon the 17th day of January, 1957, at 2:00 P.M. All interested persons may appear and be heard.

Appropriate action will be taken by the Water Resources Commission after suitable time has elapsed for the consideration of any or all information presented.

State Water Resources Commission
 By: J. W. Grimes, Chief Engineer, Executive Officer
 (Dec. 20-27 Jan. 3-10)

Permit No. 328-3Water Division 3 Vermillion River Water DistrictREPORT OF EXAMINATION OF WORKS
AND/OR APPLICATION OF WATER TO BENEFICIAL USE

TO: Water Resources Commission, State Office Building No. 2, Pierre, South Dakota 57501

I have this day made a thorough examination of the water use system constructed by Robert Rieners
 of Lennox, South Dakota holder
 of Permit No. 328-3, bearing date of priority of October 23, 1956
 authorizing the diversion of 2.1 cu. ft. per second of the waters of ground water
 for irrigation purposes, in Turner County.

I have to report on the condition of the same as follows:

The Water Use System consists of,

A. Works used to divert the water:

Well 42' feet deep. 18 inch, 14 gauge steel casing
 Western Land Roller Pump - 8 inch - Mod. 8M
 G.E. Electric Motor, 60 H.P. - Type K

B. Works used to transport water to place of use,

$\frac{1}{4}$ mile of 8 inch aluminum pipe
 $\frac{1}{4}$ mile of 6 inch aluminum pipe
 $\frac{1}{2}$ mile of 5 inch aluminum pipe

C. Works used to apply water to beneficial use.

Two "Vermeer" portable booms - Mod 140

The system is in the following condition: Good

The point of diversion is located North 1520' and East 60' from the SW Corner
of Section 18, Township 98N, Range 52W

The works are capable of diverting and conveying to the place of use 2.13cu. ft. per second of water which is to be used for irrigationWater has been put to beneficial use to the maximum extent as follows: all in SW $\frac{1}{4}$ Section 18,

Township 98N, Range 52W: NE $\frac{1}{4}$ SW $\frac{1}{4}$	34 acres
NW $\frac{1}{4}$ SW $\frac{1}{4}$	40 acres
SW $\frac{1}{4}$ SW $\frac{1}{4}$	40 acres
SE $\frac{1}{4}$ SW $\frac{1}{4}$	33 acres

comprising a total of 147 acres of land.

Mr. Rieners made statements which I interpreted as indicating he has another existing operating irrigation system, for which he has not made application for a water permit. He indicated he does have application forms and instructions and intends to submit an application for said system.

RE: Transfer of ownership on Water Right Nos. 328-3, 2764-3 and 3735-3

COMMENTS:

Ownership changes were received September 28th for land authorized under the above water rights held by Norma Reiners. The transfer forms listed Jon Reiners as the contact person. A check with the Secretary of State Web Site found the registered agent for the LLC to be Robin Eich with a law firm in Hartford.

I contacted Mr. Reiners to ask if he was the owner and he indicated that he and his siblings created the "LLC". Its still a family run partnership. Robin Eich is the attorney who helped them with settling the estate and creating the LLC.

Another question was the legal description on the transfer form for Water Right No. 2764-3. The form listed only the NE ¼ SE ¼ Section 13, T98N, R53W which is where the well is located. Mr. Reiners indicated the entire acreage should be transferred. He had gotten the other legal description from our website and didn't realize it was only the well location.
