Dear Mr. Schwartz:

Your water sample (lab. No. 76-1581) has been analyzed and the results are reported on the accompanying sheet, which is your copy to keep.

I am also enclosing a copy of AES pamphlet #13 for your use. The quality of your water for irrigation use is plotted approximately by means of the red cross in the chart on the outside back cover.

Your water, as indicated by this analysis, is satisfactory for use on the soils you indicate will be irrigated. If a salt problem or a water table problem should develop, contact extension personnel for assistance.

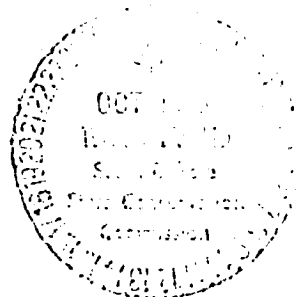

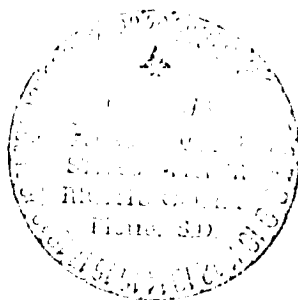

The WI-1, soils information, and a copy of the water analysis are being forwarded to the State Conservation Commission for their action.

Dear Mr. Schwartz:

I am writing to acknowledge receipt of your 1992 irrigation questionnaire information. You indicated during our telephone conversation that the information for your system had been reported by Roger Schwartz. Upon reviewing the questionnaire Roger submitted, I noted that he did make a notation on the form that he was reporting for you.

I apologize for not catching this earlier. You may disregard the January 29, 1993, Notice of Violation of Water Permit No. 3565-3. The questionnaire information was in our office prior to the Water Management Board Meeting and your name has been deleted from the agenda.

If acceptable to you, I have changed the mailing address for future irrigation questionnaires to Roger Schwartz, Estelline, SD. This does not alter ownership of the water right, it only changes where the annual questionnaire is mailed.
