Dear Mr. Tjeerdema:

Accordingly, this water is not ^{well} suited to irrigation. The high salt load that it carries means that it has a serious hazard for increasing the salinity of the root zone and upper soil profile. This tendency for salinity buildup in your soil is accentuated by the management of the water which allows small portions to be used frequently. I am speaking primarily of ~~water~~ applications of less than three inches and frequent use such as once a week. You should endeavor to use this water no more than four times in any growing season, and you always endeavor to completely refill the root zone so that it is up to field capacity. Practice will enable you to do a good job of judging this. Any other management will lead to rapid deterioration of your soil and crop yield.

Sincerely yours,

K.C. Fine

The hearing will be held at 9:45 A.M. on March 6, 1996, in the Floyd Matthew Training Center, Joe Foss Building, 523 East Capitol, Pierre, SD and will be conducted pursuant to SDCL 34A-2A through 34A-2A-5: 46-1-12, 46-1-14, 46-2-11, 46-2-17. These are contested case hearings pursuant to chapter 1-26. According to SDCL 46-1-12, the Board may suspend a permit for a period of up to one year for the first violation or up to three years for the second violation, or cancel a permit for a third violation. Following the hearing, the Water Management Board can:

RE: Water Right Nos. 3576-3 and 3811-3

COMMENTS:

Virgil submitted an irrigation questionnaire for Water Right No. 3811-3 held by Donald Tjeerdsma. On the form he indicated that his father Don had passed away and the water right should be transferred to him.

I called him to find out about the second water right in Don's name (3576-3). He indicated that one should go to his brother Percy Tjeerdsma. Contact Percy for irrigation information and an ownership change.

The issue scheduled before the Board for non-return of the two irrigation questionnaires will be removed from the agenda because the original forms and follow-up notice were mailed to Donald Tjeerdsma.
