Mr. John I. Vasgaard

Dear Mr. Vasgaard:

You are hereby notified that your application No. 387-3 for a permit to appropriate water has been duly examined, that notice of your intention has been duly published, and that the matter was taken up by the State Water Resources Commission on March 12, 1957 and that it has now been approved and is being held for recording, subject to the payment of \$2.50 as fees for recording the same. Upon receipt of this amount, which should be within thirty days from the date of this notice, the permit will be recorded as soon as practical, in regular order, and the permit forwarded to you.

Your obtaining of said permit to appropriate a specified amount does not constitute absolute ownership of the water. The Water Law enacted by the 1955 Legislature, state such appropriation shall remain subject to the principle of beneficial use. While the State Water Resources Commission does not anticipate that restrictions of your use of water will be necessary, the Commission may restrict the appropriation or use of water if conditions are such, as determined by the Commission, that such restriction is necessary for compliance with the principle of beneficial use.

For your information, the amount of water requested in your application was included in the study presented to interested water users during the February 4, 1957 meeting of the Water Resources Commission.

Those persons in attendance at the February 4, 1957 public hearing were told that the State Water Resources Commission may

Mr. John L. Vargaard

Page 2

March 15, 1957

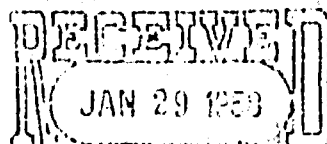

not issue additional permits to appropriate water from Township 98 North, Range 53 West for an indefinite period of time since the large percentage of the appropriations in this township may be approaching the limit of available supplies in this area. However, this would not mean that applications for further appropriation of water from this township should not be made to the State Water Resources Commission. In the event that additional applications were approved to appropriate water from this township, after said indefinite period of time, such applications would be considered in the order in which they were received at the office of the Commission and the date of priority of the permits would be the date on which the applications were received at the office of the Commission.

Sincerely,

J. W. GRIMES

NOTICE

TO: RICHARD VASGAARD, 28746 462ND AVE, CENTERVILLE, SD 57014 6515

FROM: Ron Duvall, Engineer III
for Adam Mathiowetz, PE, Acting Chief Engineer
Water Rights Program

SUBJECT: Reporting Requirement for 2025 Irrigation Questionnaires

Our records indicate your 2025 Irrigation Questionnaires have not been submitted. The request for the Questionnaires was dated October 8, 2025. The Water Management Board has directed owners of water permits who have not submitted the 2025 Irrigation Questionnaires be given notice of permit violation and a hearing to be held by the Board. The hearing is to determine if Permit No(s) 387-3, 1388-3 & 2981-3 should be amended to require the Questionnaire to be submitted each year and to determine action to be taken for violation of Water Permit No(s) 7976-3 qualification:

"This permit is approved subject to the Irrigation Water Use Questionnaire being submitted each year."

The hearing will be held on **Wednesday, March 4, 2026 at 9:30 am (Central Time)** in the Floyd Matthew Training Center, Joe Foss Building, 523 E Capitol Avenue, Pierre, SD, and will be conducted pursuant to SDCL 46-1-12, 46-1-14, 46-2-9, 46-2-11 and 46-2-17. These are contested case hearings pursuant to Chapter 1-26. According to SDCL 46-1-12, the Board may suspend a permit for a period of up to one year for the first violation of a permit qualification or up to three years for a second violation or cancel a permit for a third violation. Following the hearing, the Water Management Board can:

1. Suspend or cancel Permit No(s) 7976-3 in accordance with applicable provisions of SDCL 46-1-12;
2. Amend Permit No(s) 387-3, 1388-3 & 2981-3 to require the Irrigation Water Use Questionnaire to be submitted each year;
3. Postpone any action or take no action.

The hearing is an adversary proceeding. The permit owner has the right to be present or to be represented by a lawyer. These and other due process rights will be forfeited if they are not exercised. Decisions of the Board may be appealed to the Circuit Court and the State Supreme Court as provided by law.

If the questionnaires are received in this office before the **March 4, 2026** hearing you will no longer be in violation of your permit and your name will be removed from the Board agenda. Enclosed are additional questionnaires for your use. If you have questions or need assistance, please contact Shannon Konst at (605) 773-3352 or email at shannon.konst@state.sd.us. **If you prefer, you can complete the questionnaire online at the following link: <https://danr.sd.gov/iq> using this password: URXJDC**

Note: Please contact the Water Rights Program, Joe Foss Building, 523 E Capitol, Pierre, SD (605-773-3352) to assure access to the meeting room for the handicapped or to obtain an interpreter for the hearing impaired.

NOTICE OF AMENDMENT OF WATER RIGHT

TO: John or Richard Vasgaard, 28746 462nd Ave, Centerville SD 57104

FROM: Adam Mathiowetz, PE, Acting Chief Engineer
DANR - Water Rights Program

SUBJECT: Amendment to Water Right Nos. 387-3, 1388-3, and 2981-3

On March 4, 2026, the South Dakota Water Management Board amended Water Right Nos. 387-3, 1388-3, and 2981-3 to add the following qualification:

"This Water Right is subject to the Irrigation Water Use Questionnaire being submitted each year."

This action was taken by the Board for failure to return the 2025 irrigation questionnaire. The addition of this qualification means that failure to submit the irrigation questionnaires in the future could result in suspension or cancellation of the Water Rights.

Please contact Amanda Dewell, Water Rights Permitting Administrator, with any questions (605) 773-3352.

Dear Mr. Vasgaard:

I am writing to acknowledge the receipt of your 2025 Irrigation Questionnaire submitted for Water Right Nos. 7976-3, 1388-3, 2981-3, 387-3, on March 10, 2026.
