Dear Ms. Steffen:

Enclosed are Water License Nos 4264A-3 and 4264B-3 for the City of Mt. Vernon. Also, enclosed is the receipt for the license fee.

Water Permit No. 4264-3 was originally issued as a "partial vested right claim". On May 10, 1989, the Water Management Board validated the vested right portion of the permit. On June 15, 1995, an inspection was conducted of the water use system in order to proceed with licensing of the permit. No. 4264-3 has been divided and licensed as follows:

Vested Water Right No. 4264A-3 - authorizing diversion of 0.07 cfs from one well (Well #1) located in the SW 1/4 NW 1/4 Section 22-T103N-R62W - Priority date of January 1, 1904.

Water Right No. 4264B-3 - authorizing diversion of 0.14 cfs from two wells (Wells # 2 & 3) located in the SW 1/4 NW 1/4 Section 22-T103N-R62W - Priority date of June 22, 1976.

As long as the City uses the water beneficially as stated in the licenses, the City of Mt. Vernon has a continuing right to use of the water.

Very truly yours,

JOHN HATHI, Chief Engineer
