SOUTH DAKOTA
FUTURE USE PERMIT NO. 6834-3

Date of first receipt of application March 19, 2007.

The Chief Engineer, on behalf of the Water Management Board, issues Future Use Permit No. 6834-3 to Big Sioux Community Water System, 23343 479th Ave, Egan SD 57024 subject to the following limitations, conditions and qualifications:

1. Water Permit No. 6834-3 reserves 600 acre-feet of water annually from the Big Sioux:Northern Skunk Creek Aquifer. The area to be reserved for future water use is located in the SW 1/4 Section 16-T105N-R51W (Lake County).
2. The water appropriated shall be used for the purpose of rural water system use in Lake, Brookings, Moody and Minnehaha Counties and may not exceed the amount of water needed for beneficial use.
3. The water is to be used during the following described annual period: January 1 – December 31.
4. The date of approval of Permit No. 6834-3 is June 11, 2007.
5. The date from which applicant may claim right is March 19, 2007.
6. Water rights obtained in compliance with the laws of the State of South Dakota may not be unlawfully impaired by this appropriation.

QUALIFICATIONS

1. Permit No. 6834-3 reserves 600 acre-feet of water annually from the Big Sioux:Northern Skunk Creek Aquifer.
2. That Future Use Permit No. 6834-3 is approved with the stipulation that this Permit is subject to review by the Water Management Board in developing reserved water upon expiration of seven (7) years. This Permit shall be subject to cancellation if the Water Management Board determines during the review that the holder cannot demonstrate a reasonable need for the Permit.
3. At such time as definite plans are made to construct works and put the water reserved by this permit to beneficial use, specific application for all or any part of the reserved water must be submitted and approved prior to construction of facilities pursuant to SDCL 46-5-38.1.

**RECOMMENDATION OF CHIEF ENGINEER FOR FUTURE USE WATER PERMIT
APPLICATION NO. 6834-3, Big Sioux Community Rural Water System**

Pursuant to SDCL 46-2A-2, the following is the recommendation of the Chief Engineer, Water Rights Program, Department of Environment and Natural Resources concerning Future Use Water Permit Application No. 6834-3, Big Sioux Community Water System, c/o Martin Jarrett, 23343 479th Avenue, Egan SD 57024.

The Chief Engineer is recommending APPROVAL of Application No. 6834-3 because 1) there is reasonable probability that there is unappropriated water available for the applicant's proposed use, 2) the applicant has demonstrated a reasonable need for the water reserved, 3) the proposed use is a beneficial use and 4) it is in the public interest with the following qualifications:

6834-3

1. Permit No. ~~1872-1~~ reserves 600 acre feet of water annually from the Big Sioux:Northern Skunk Creek Aquifer.
2. That Future Use Permit No. 6834-3 is approved with the stipulation that this Permit is subject to review by the Water Management Board in developing reserved water upon expiration of seven (7) years. This Permit shall be subject to cancellation if the Water Management Board determines during the review that the holder cannot demonstrate a reasonable need for the Permit.
3. At such time as definite plans are made to construct works and put the water reserved by this permit to beneficial use, specific application for all or any part of the reserved water must be submitted and approved prior to construction of facilities pursuant to SDCL 46-5-38.1.

See report on application for additional information.

Garland Erbele, Chief Engineer
May 15, 2007

REPORT ON WATER PERMIT APPLICATION NO. 6834-3
For Big Sioux Community Water System
May 7, 2007

Application No. 6834-3 proposes to appropriate and reserve for future use 600 acre-feet of water annually. The area to be reserved for future use is located in the SW $\frac{1}{4}$ of section 16, T105N R51W in Lake County. The water is to be reserved for future water supplies for rural water system use in Lake, Brookings, Moody and Minnehaha Counties. This application does not authorize construction of works or application of water to beneficial use.

AQUIFER – BIG SIOUX NORTHERN SKUNK CREEK (BS-NSC)

The aquifer is a mostly surficial outwash (sand and gravel) in Lake County. The aquifer underlies 48 square miles and contains an estimated 196,000 acre-feet of water in storage in Lake and Moody Counties (Hansen, 1986). Ground water movement appears to be from north to south in the area of this application (Hansen, 1986). The aquifer is hydraulically connected to area lakes (Madison and Brant) and also the Skunk Creek. Average annual recharge has been estimated at 3.1 inches per year (about 8,000 acre-feet per year) and could range from 2.0 to 5.6 inches per year (Hedges, 1983). Water use from the aquifer reportedly was 3,280 acre-feet in 2003 and 3,630 acre-feet in 2004. There is also a total of 1,818 acre-feet of future use permits remaining to be developed from the aquifer. This application will add 600 acre feet to this total.

According to the drillers test well log filed with the application sand was encountered from 2 to 30 feet below land surface and sand and gravel from 37 to 72 feet below land surface. Technically the aquifer would be under confined or artesian conditions at this site. However, the surficial sand is also part of the aquifer over most of the area. Very near this site the two observation wells LK-79C and LK-79D are completed into the lower layer and upper layer of the aquifer respectively.

The Water Rights Program monitors two observation wells located immediately adjacent to this application. These two monitor wells LK-79C and LK-79D would be about one-quarter mile west of the proposed well sites for this application. Water levels for these wells show good response to climatic conditions rising during wet periods (recharge) and gradually declining water levels during dry periods. In general the water level record indicates that the aquifer is capable of sustaining additional withdrawals (Water Rights, 2007). Hydrographs for these two monitor wells are included with this report.

REVIEW OF EXISING WATER PERMITS/RIGHTS

There are five existing irrigation Water Rights within a one-half mile radius of this application. The actual well locations appear to be located in the NE $\frac{1}{4}$ of the SW $\frac{1}{4}$ of section 16, T105N R51W. The nearest irrigation wells would be about one half mile north (Water Right No. 2987-3, 1.44 cfs, 128 acres) and one half mile northeast (Water Right No. 5422A-3, 198 acres). Interference is not expected to be a concern, but this

question will be evaluated in more detail when an application to put water to beneficial use is filed by the Big Sioux Community Rural Water System.

CONCLUSIONS

1. Water is available from the Big Sioux Northern Skunk Creek aquifer.
2. This is a future use application and it is assumed that all the water requested will be put to use at some time in the future.
3. The applicant will need to file another application to put this water to beneficial use.

James A Goodman
Natural Resources Engineer

NOTICE OF APPLICATION NO. 6834-3 to Reserve Water for Future Use

Notice is given that Big Sioux Community Water System, c/o Martin Jarrett, Manager, 23343 479th St, Egan, SD 57024 has filed an application for a water permit to appropriate and reserve for future use 600 acre feet of water annually from the Big Sioux Northern Skunk Creek Aquifer. The area to be reserved for future water use is located in the SW 1/4 Section 16-T105N-R51W (Lake County). The water is to be reserved for future water supplies for rural water system use in Lake, Brookings, Moody, and Minnehaha Counties. This application does not authorize construction of works or application of water to beneficial use.

Pursuant to SDCL 46-2A-2, the Chief Engineer recommends APPROVAL of Application No. 6834-3 because 1) unappropriated water is available, 2) the applicant has demonstrated a reasonable need for the reserved water, 3) it is a beneficial use of water, and 4) it is in the public interest. In accordance with SDCL 46-2A-23, the Chief Engineer will act on these applications, as recommended, unless a petition is filed opposing the application or the applicant files a petition contesting the Chief Engineer's recommendation. If a petition opposing the application or contesting the recommendation is filed, then a hearing will be scheduled and the Water Management Board will consider this application. Notice of the hearing will be given to the applicant and any person filing a petition.

Any person interested in opposing or supporting this application or recommendations must file a written petition with BOTH the applicant and Chief Engineer. The applicant must file a petition if contesting the Chief Engineer's recommendation. The Chief Engineer's address is "Water Rights Program", Foss Building, 523 E. Capitol, Pierre, SD 57501 (605 773-3352) and the applicant's mailing address is given above. A petition filed by either an interested person or the applicant must be filed by June 11, 2007.

The petition may be informal, but must include a statement describing the petitioner's interest in the application, the petitioner's reasons for opposing or supporting the application, and the signature and mailing address of the petitioner or the petitioner's legal counsel, if legal counsel is obtained. Contact Eric Gronlund at the above Water Rights Program address to request copies of information pertaining to this application.

ATTENTION: Legal Public Notice

Enclosed is a Notice on Application No. 6834-3 to Appropriate Water to be published twice. Please publish the first notice on May 23, 2007 with the second publication 7 days later. The text of the notice can be e-mailed to your paper by contacting Karen Schlaak at (605) 773-3352.

The applicant must verify to you that the notice is to be published, before you make the first publication. **Please BILL the APPLICANT for the cost of publication.** The APPLICANT is Big Sioux Community Water System. 23343 479th Ave, Egan SD 57024 (Ph # 605-997-2098).

Please send the Water Rights Program the first publication immediately. The publication is checked for accuracy so any corrections can be made in the second publication. You may use the form below or fax a copy of the first publication. Any fax should be sent to the attention of Karen Schlaak at (605) 773-4068. Publication errors can invalidate the public notice.

After the second publication, **please send us an affidavit or use the enclosed Proof of Publication form.** The applicant pays the cost of publication, but the Water Rights Program records require an affidavit or Proof of Publication. Delays in receiving the affidavit can be costly to the applicant.

Sincerely,

Eric Gronlund
Natural Resources Engineer

BIG SIOUX COMMUNITY WATER SYSTEM
MARTIN JARRETT, MANAGER
23343 479TH ST
EGAN SD 57024

Dear Mr. Jarrett:

Water Permit Application No. 6834-3 for future use has been examined and found to comply with the South Dakota Water Laws and applicable rules. A notice has been sent to the Publishers of the following papers:

Madison Daily Leader, Madison SD	605 256-4555
Moody County Enterprise, Flandreau SD	605 997-3725
Brookings Register, Brookings SD	605 692-6271
The Argus Leader, Sioux Falls SD	605 331-2200

You will need to contact the newspapers and authorize publication of this notice. For your information, a copy of the notice, the recommendation of the Chief Engineer and report on the application is enclosed. Please review the notice prior to publication and notify this office, if you have any corrections or questions.

Be sure to contact the above newspapers to authorize publication of your Notice and to arrange for payment. Early contact with the papers can eliminate delays. Upon receiving authorization, the publishers have been instructed to publish your notice once each week for two consecutive weeks. The newspapers have also been instructed to send us the Proof of Publication. We must receive Proof of Publication before action can be taken on the applications.

Sincerely,

Eric Gronlund
Natural Resources Engineer
(605) 773-3352

enclosures

NOTE: If you plan to contest any part of the Chief Engineer's recommendation, you must file a petition pursuant to the procedures outlined in the attached notice of hearing. The Water Management Board will then consider your concerns during a hearing on the application.

Instruction to Newspaper - Publish first Notice on May 23, 2007 with the second publication 7 days later. The applicant is responsible for payment.

NOTICE OF APPLICATION NO. 6834-3 to Reserve Water for Future Use

Notice is given that Big Sioux Community Water System, c/o Martin Jarrett, Manager, 23343 479th St, Egan SD 57024 has filed an application for a water permit to appropriate and reserve for future use 600 acre feet of water annually from the Big Sioux:Northern Skunk Creek Aquifer. The area to be reserved for future water use is located in the SW ¼ Section 16-T105N-R51W (Lake County). The water is to be reserved for future water supplies for rural water system use in Lake, Brookings, Moody and Minnehaha Counties. This application does not authorize construction of works or application of water to beneficial use.

Pursuant to SDCL 46-2A-2, the Chief Engineer recommends APPROVAL of Application No. 6834-3 because 1) unappropriated water is available, 2) the applicant has demonstrated a reasonable need for the reserved water, 3) it is a beneficial use of water, and 4) it is in the public interest. In accordance with SDCL 46-2A-23, the Chief Engineer will act on these applications, as recommended, unless a petition is filed opposing the application or the applicant files a petition contesting the Chief Engineer's recommendation. If a petition opposing the application or contesting the recommendation is filed, then a hearing will be scheduled and the Water Management Board will consider this application. Notice of the hearing will be given to the applicant and any person filing a petition.

Any person interested in opposing or supporting this application or recommendations must file a written petition with BOTH the applicant and Chief Engineer. The applicant must file a petition if contesting the Chief Engineer's recommendation. The Chief Engineer's address is "Water Rights Program", Foss Building, 523 E Capitol, Pierre SD 57501 (605 773-3352) and the applicant's mailing address is given above. A petition filed by either an interested person or the applicant must be filed by June 11, 2007.

The petition may be informal, but must include a statement describing the petitioner's interest in the application, the petitioner's reasons for opposing or supporting the application, and the signature and mailing address of the petitioner or the petitioner's legal counsel, if legal counsel is obtained. Contact Eric Gronlund at the above Water Rights Program address to request copies of information pertaining to this application. Steven M. Pirner, Secretary, Department of Environment and Natural Resources.

May 1, 2014

Martin Jarrett, Manager
Big Sioux Community Water System Inc.
PO Box 158
Egan SD 57024

Dear Mr. Jarrett:

I am writing in regard to the seven year review of Future Use Water Permit Nos. 5689-3 and 6834-3 from the Big Sioux:Northern Skunk Creek Aquifer held by the water system. By law, all future use permits are to be reviewed by the Water Management Board every seven years to determine whether a reasonable need exists for the reserved water. The permits reserve water for future water supply needs for the water system. Currently, our records show that Permit No. 5689-3 has 360 acre-feet remaining in reserve. This permit was issued in 1992 and last reviewed in 2007. Permit No. 6834-3 has 600 acre-feet remaining in reserve and was issued in 2007.

Please respond in writing by May 27, 2014 regarding the water system's intention for the future use permits. If you plan to retain the permits, then the response should outline a reasonable need for retaining the future use permits, including an estimate of future needs.

The future use permits will then be public noticed at the water system's expense and scheduled for review before the Water Management Board pursuant to SDCL 46-5-38.1. Notice will be given of the hearing time and place at a future date. The purpose of this review is to determine if a reasonable need exists for retaining the permits. A fee will be charged if the Board allows the permits to remain in effect after the hearing. The fee to be assessed will be dependent upon the amount of water allowed to remain in reserve. Assuming each permit is allowed to remain in effect for the entire acre-feet amount listed above, the fee for Permit No. 5689-3 would be \$85.00 and Permit No. 6834-3 would be \$105.00.

Please contact Eric Gronlund, if you have any questions.

Sincerely,

Karen Schlaak

May 6, 2014

Dear Ms. Schlaak,

Thank you for the letter concerning our Future Use Water Permits, No. 5689-3 and 6834-3, both from the Big Sioux: Northern Skunk Creek Aquifer.

Since the last review of these permits we built (2009-10) and are currently operating a micro-filtration water treatment plant utilizing this aquifer. This Treatment plant serves the Lake Madison and Lake Brant areas where we are continuing to see growth in the number of homes hooking up to the system.

We have now been serving Dakota Ethanol 500,000 to 600,000 gallons per day since 2001, also from this aquifer. Dakota Ethanol is currently updating their treatment process which may increase their water usage slightly. An overall expansion of the plant is also possible in the near future for which further allocations from the water supply would be required.

I hope the above examples illustrate that the future use permits are a very valuable tool when planning for the future economy and livelihood of this company and all the residents of Lake County, South Dakota.

Big Sioux Community Water system Inc., is keen on retaining these future use permits and would very much appreciate the Board allowing us to retain them.

If I can be of any further assistance, please don't hesitate to contact me at the above address,

Sincerely

Martin Jarrett
Manager BSCWS

**RECOMMENDATION OF CHIEF ENGINEER FOR FUTURE USE WATER PERMIT
NO. 6834-3, Big Sioux Community Water System, Inc.**

Pursuant to SDCL 46-2A-2, the following is the recommendation of the Chief Engineer, Water Rights Program, Department of Environment and Natural Resources concerning Future Use Water Permit No. 683489-3, Big Sioux Community Water System, Inc., c/o Martin Jarrett, Manager, PO Box 158, Egan SD 57024.

The Chief Engineer is recommending that Future Use Permit No. 6834-3 REMAIN in EFFECT for 600 acre-feet annually because 1) there is reasonable probability that there may be development of the water reserved under Permit No. 6834-3, 2) the system has demonstrated a reasonable need for the water reserved by Permit No. 6834-3, 3) the proposed use will be a beneficial use and 4) it is in the public interest.

Maintaining the effectiveness of Future Use Permit No. 6834-3 is subject to payment of the \$105.00 fee pursuant to SDCL 46-2-13(2) within 60 days of notice to the system after the Board hearing.

Jeanne Goodman, Chief Engineer
May 29, 2014

Instruction to Newspaper-Publish the following Notice on June 11, 2014. Big Sioux Community Water System, Inc. is responsible for payment. The text of the notice can be e-mailed to your paper by contacting Karen Schlaak at (605) 773-3352 or email: Karen.schlaak@state.sd.us.

NOTICE OF HEARING TO REVIEW FUTURE USE WATER PERMIT NOS. 5689-3 and 6834-3

Notice is given that the Water Management Board will review Future Use Permit Nos. 5689-3 and 6834-3 held by Big Sioux Community Water System, Inc., c/o Martin Jarrett, Manager, PO Box 158, Egan SD 57024 for progress made in the development and future plans for use of the water reserved by the permits.

Permit No. 5689-3 was approved in 1992 and currently reserves 360 acre-feet of water from the Big Sioux:Northern Skunk Creek Aquifer located in the N 1/2 NW 1/4 Section 9-T105N-R51W. Permit No. 6834-3 was approved in 2007 and currently reserves 600 acre-feet of water from the Big Sioux:Northern Skunk Creek Aquifer located in the SW 1/4 Section 16-T105N-R51W. The water is reserved for rural water system use in Lake, Brookings, Moody, and Minnehaha Counties.

Pursuant to SDCL 46-2A-2 the Chief Engineer of the Water Rights Program recommends that Permit Nos. 5689-3 and 6834-3 REMAIN in EFFECT for 360 acre-feet annually and 600 acre-feet annually because 1) the reserved water may be developed, 2) there is need for the reserved water 3) the proposed use will be a beneficial use and 4) it is in the public interest.

The Water Management Board will conduct the hearing to review Future Use Permit Nos. 5689-3 and 6834-3 at 10:00 am on July 10, 2014 at the Floyd Mathew Training Center, Joe Foss Building, 523 E Capitol, Pierre SD.

The recommendations of the Chief Engineer are not final or binding upon the Board and the Board is authorized to 1) allow the permits to remain in effect, 2) amend the permits by adding qualifications, 3) cancel the permits for no development or no planned future development, or 4) take no action after it reaches a conclusion based upon facts presented at the public hearing. Any interested person who may be affected by a Board decision and who intends to participate in the hearing before the Board and present evidence or cross-examine witnesses according to SDCL 1-26, must file a written petition with BOTH the permit owner and the Chief Engineer by June 30, 2014. The Chief Engineer's address is "Water Rights Program", Joe Foss Building, 523 E Capitol Ave, Pierre SD 57501 (605 773-3352) and the permit holders mailing address is given above. The petition may be informal, but it must include a statement describing the petitioners interest in the future use permits, the reasons for petitioner's opposition to or support of continuing the future use permits, and the signature and mailing address of the petitioner or his legal counsel if legal counsel is obtained. The permit owner need not file a petition.

The hearing to review Future Use Permit Nos. 5689-3 and 6834-3 will be conducted pursuant to the provisions of SDCL 46-1-14, 46-2-5, 46-2-9, 46-2-11, 46-5-38.1; Board Rules ARSD 74:02:01:25.01 thru 74:02:01:25.03 and contested case procedures contained in SDCL 1-26.

This hearing is an adversary proceeding. The permit owner or any person, after filing a petition, has the right to be present or to be represented by a lawyer. These and other due process rights will be forfeited if they are not exercised. Decisions of the Board may be appealed to the Circuit Court and State Supreme Court as provided by law.

Any person wishing a copy of the Chief Engineer's recommendations, further information on the permits, to assure access to the hearing by the handicapped or obtain an interpreter for the hearing impaired may contact Eric Gronlund, Water Rights Program, (605 773-3352) by June 30, 2014. The time of the hearing will be automatically delayed for at least 20 days upon written request of the permit owner or any person who has filed a petition to oppose or support continuance of the Future Use Permits. The request for a delay must be filed with the Chief Engineer by June 30, 2014. Steven M. Pirner, Secretary, Department of Environment and Natural Resources.

NOTICE OF HEARING TO REVIEW FUTURE USE WATER PERMIT NOS. 5689-3 and 6834-3

Notice is given that the Water Management Board will review Future Use Permit Nos. 5689-3 and 6834-3 held by Big Sioux Community Water System, Inc., c/o Martin Jarrett, Manager, PO Box 158, Egan SD 57024 for progress made in the development and future plans for use of the water reserved by the permits.

Permit No. 5689-3 was approved in 1992 and currently reserves 360 acre-feet of water from the Big Sioux:Northern Skunk Creek Aquifer located in the N 1/2 NW 1/4 Section 9-T105N-R51W. Permit No. 6834-3 was approved in 2007 and currently reserves 600 acre-feet of water from the Big Sioux:Northern Skunk Creek Aquifer located in the SW 1/4 Section 16-T105N-R51W. The water is reserved for rural water system use in Lake, Brookings, Moody, and Minnehaha Counties.

Pursuant to SDCL 46-2A-2 the Chief Engineer of the Water Rights Program recommends that Permit Nos. 5689-3 and 6834-3 REMAIN in EFFECT for 360 acre-feet annually and 600 acre-feet annually because 1) the reserved water may be developed, 2) there is need for the reserved water 3) the proposed use will be a beneficial use and 4) it is in the public interest.

The Water Management Board will conduct the hearing to review Future Use Permit Nos. 5689-3 and 6834-3 at 10:00 am on July 10, 2014 at the Floyd Mathew Training Center, Joe Foss Building, 523 E Capitol, Pierre SD.

The recommendations of the Chief Engineer are not final or binding upon the Board and the Board is authorized to 1) allow the permits to remain in effect, 2) amend the permits by adding qualifications, 3) cancel the permits for no development or no planned future development, or 4) take no action after it reaches a conclusion based upon facts presented at the public hearing. Any interested person who may be affected by a Board decision and who intends to participate in the hearing before the Board and present evidence or cross-examine witnesses according to SDCL 1-26, must file a written petition with BOTH the permit owner and the Chief Engineer by June 30, 2014. The Chief Engineer's address is "Water Rights Program", Joe Foss Building, 523 E Capitol Ave, Pierre SD 57501 (605 773-3352) and the permit holders mailing address is given above. The petition may be informal, but it must include a statement describing the petitioners interest in the future use permits, the reasons for petitioner's opposition to or support of continuing the future use permits, and the signature and mailing address of the petitioner or his legal counsel if legal counsel is obtained. The permit owner need not file a petition.

The hearing to review Future Use Permit Nos. 5689-3 and 6834-3 will be conducted pursuant to the provisions of SDCL 46-1-14, 46-2-5, 46-2-9, 46-2-11, 46-5-38.1; Board Rules ARSD 74:02:01:25.01 thru 74:02:01:25.03 and contested case procedures contained in SDCL 1-26.

This hearing is an adversary proceeding. The permit owner or any person, after filing a petition, has the right to be present or to be represented by a lawyer. These and other due process rights will be forfeited if they are not exercised. Decisions of the Board may be appealed to the Circuit Court and State Supreme Court as provided by law.

Any person wishing a copy of the Chief Engineer's recommendations, further information on the permits, to assure access to the hearing by the handicapped or obtain an interpreter for the hearing impaired may contact Eric Gronlund, Water Rights Program, (605 773-3352) by June 30, 2014. The time of the hearing will be automatically delayed for at least 20 days upon written request of the permit owner or any person who has filed a petition to oppose or support continuance of the Future Use Permits. The request for a delay must be filed with the Chief Engineer by June 30, 2014. Steven M. Pirner, Secretary, Department of Environment and Natural Resources.

NOTICE OF HEARING
TO REVIEW FUTURE
USE WATER PERMIT
NOS. 5689-3 and 6834-3

Notice is given that the Water Management Board will review Future Use Permit Nos. 5689-3 and 6834-3 held by Big Sioux Community Water System, Inc., c/o Martin Jarrett, Manager, PO Box 158, Egan SD 57024 for progress made in the development and future plans for use of the water reserved by the permits.

Permit No. 5689-3 was approved in 1992 and currently reserves 360 acre-feet of water from the Big Sioux:Northern Skunk Creek Aquifer located in the N 1/2 NW 1/4 Section 9-T105N-R51W. Permit No. 6834-3 was approved in 2007 and currently reserves 600 acre-feet of water from the Big Sioux:Northern Skunk Creek Aquifer located in the SW 1/4 Section 16-T105N-R51W. The water is reserved for rural water system use in Lake, Brookings, Moody, and Minnehaha Counties.

Pursuant to SDCL 46-2A-2 the Chief Engineer of the Water Rights Program recommends that Permit Nos. 5689-3 and 6834-3 REMAIN in EFFECT for 360 acre-feet annually and 600 acre-feet annu-

ally because 1) the reserved water may be developed, 2) there is need for the reserved water 3) the proposed use will be a beneficial use and 4) it is in the public interest.

The Water Management Board will conduct the hearing to review Future Use Permit Nos. 5689-3 and 6834-3 at 10:00 am on July 10, 2014 at the Floyd Mathew Training Center, Joe Foss Building, 523 E Capitol, Pierre SD.

The recommendations of the Chief Engineer are not final or binding upon the Board and the Board is authorized to 1) allow the permits to remain in effect, 2) amend the permits by adding qualifications, 3) cancel the permits for no development or no planned future development, or 4) take no action after it reaches a conclusion based upon facts presented at the public hearing. Any interested person who may be affected by a Board decision and who intends to participate in the hearing before the Board and present evidence or cross-examine witnesses according to SDCL 1-26, must file a written petition with BOTH the permit owner and the Chief Engineer by June 30, 2014. The Chief Engineer's address is "Water Rights Program", Joe Foss Building, 523 E Capitol Ave, Pierre SD 57501 (605 773-3352) and the permit holders mailing address is given above. The petition may be informal, but it must include a statement describing the petitioners interest in the future use permits, the reasons for petitioner's opposition to or support of continuing the future use permits, and the signature and mailing address of the petitioner or his legal counsel if legal counsel is obtained. The permit owner need not file a petition.

The hearing to review Future Use Permit Nos. 5689-3 and 6834-3 will be conducted pursuant to the provisions of SDCL 46-1-14, 46-2-5, 46-2-9, 46-2-11, 46-5-38.1; Board Rules ARSD 74:02:01:25.01 thru 74:02:01:25.03 and contested case procedures contained in SDCL 1-26.

This hearing is an adversary proceeding. The permit owner or any person, after filing a petition, has the right to be present or to be represented by a lawyer. These and other due process rights will be forfeited if they are not exercised. Decisions of the Board may be appealed to the Circuit Court and State Supreme Court as provided by law.

Any person wishing a copy of the Chief Engineer's recommendations, further information on the permits, to assure access to the hearing by the handicapped or obtain an interpreter for the hearing impaired may contact Eric Gronlund, Water Rights Program, (605 773-3352) by June 30, 2014. The time of the hearing will be automatically delayed for at least 20 days upon written request of the permit owner or any person who has filed a petition to oppose or support continuance of the Future Use Permits. The request for a delay must be filed with the Chief Engineer by June 30, 2014. Steven M. Pirner, Secretary, Department of Environment and Natural Resources. NOTICE OF HEARING TO REVIEW FUTURE USE WATER PERMIT NOS. 5689-3 AND 6834-3

Notice is given that the Water Management Board will review Future Use Permit Nos. 5689-3 and 6834-3 held by Big Sioux Community Water System, Inc., c/o Martin Jarrett, Manager, PO Box 158, Egan SD 57024 for progress made in the development and future plans for use of the water reserved by the permits.

Permit No. 5689-3 was approved in 1992 and currently reserves 360 acre-feet of water from the Big Sioux Northern Skunk Creek Aquifer located in the N 1/2 NW 1/4 Section 9-T105N-R51W. Permit No. 6834-3 was approved in 2007 and currently reserves 600 acre-feet of water from the Big Sioux Northern Skunk Creek

Aquifer located in the SW 1/4 Section 16-T105N-R51W. The water is reserved for rural water system use in Lake, Brookings, Moody, and Minnehaha Counties.

Pursuant to SDCL 46-2A-2 the Chief Engineer of the Water Rights Program recommends that Permit Nos. 5689-3 and 6834-3 REMAIN in EFFECT for 360 acre-feet annually and 600 acre-feet annually because 1) the reserved water may be developed, 2) there is need for the reserved water 3) the proposed use will be a beneficial use and 4) it is in the public interest.

The Water Management Board will conduct the hearing to review Future Use Permit Nos. 5689-3 and 6834-3 at 10:00 am on July 10, 2014 at the Floyd Mathew Training Center, Joe Foss Building, 523 E Capitol, Pierre SD.

The recommendations of the Chief Engineer are not final or binding upon the Board and the Board is authorized to 1) allow the permits to remain in effect, 2) amend the permits by adding qualifications, 3) cancel the permits for no development or no planned future development, or 4) take no action after it reaches a conclusion based upon facts presented at the public hearing. Any interested person who may be affected by a Board decision and who intends to participate in the hearing before the Board and present evidence or cross-examine witnesses according to SDCL 1-26, must file a written petition

with BOTH the permit owner and the Chief Engineer by June 30, 2014. The Chief Engineer's address is "Water Rights Program", Joe Foss Building, 523 E Capitol Ave, Pierre SD 57501 (605 773-3352) and the permit holders mailing address is given above. The petition may be informal, but it must include a statement describing the petitioner's interest in the future use permits, the reasons for petitioner's opposition to or support of continuing the future use permits, and the signature and mailing address of the petitioner or his legal counsel if legal counsel is obtained. The permit owner need not file a petition.

The hearing to review Future Use Permit Nos. 5689-3 and 6834-3 will be conducted pursuant to the provisions of SDCL 46-1-14, 46-2-5, 46-2-9, 46-2-11, 46-5-38.1; Board Rules ARSD 74:02:01:25.01 thru 74:02:01:25.03 and contested case procedures contained in SDCL 1-26.

This hearing is an adversary proceeding. The permit owner or any person, after filing a petition, has the right to be present or to be represented by a lawyer. These and other due process rights will be forfeited if they are not exercised. Decisions of the Board may be appealed to the Circuit Court and State Supreme Court as provided by law.

Any person wishing a copy of the Chief Engineer's recommendations, further information on the permits, to assure access to the hearing by the handicapped or obtain an interpreter for the hearing impaired may contact Eric Gronlund, Water Rights Program, (605) 773-3352 by June 30, 2014. The time of the hearing will be automatically delayed for at least 20 days upon written request of the permit owner or any person who has filed a petition to oppose or support continuance of the Future Use Permits. The request for a delay must be filed with the Chief Engineer by June 30, 2014. Steven M. Pirner, Secretary, Department of Environment and Natural Resources.

Dear Mr. Jarrett:

I am writing in response to action taken by the Water Management Board at the hearing on July 10, 2014 to review Future Use Permit Nos. 5689-3 and 6834-3. The Board allowed the permits to remain in effect for 360 acre-feet and 600 acre-feet of water annually, respectively. The permits are subject to another review in seven years.

Pursuant to SDCL 46-2-13(2), the fee for maintaining the effectiveness of Future Use Permit No. 5689-3 is \$85.00 and for Future Use Permit No. 6834-3 the fee is \$105.00 (\$190.00 total). Please remit the fee within 60 days.

Please contact Eric Gronlund, staff engineer, if you have any questions.

Sincerely,

Jeanne Goodman, Chief Engineer
Water Rights Program

May 6, 2021

Jodi Johanson, Manager
Big Sioux Community Water System Inc.
23343 479th Ave
Egan SD 57024

Dear Mr. Johanson:

I am writing in regard to the seven year review of Future Use Water Permit Nos. 5689-3 and 6834-3 from the Big Sioux:Northern Skunk Creek Aquifer held by the water system. By law, all future use permits are to be reviewed by the Water Management Board every seven years to determine whether a reasonable need exists for the reserved water. The permit reserves water for future water supply needs for the water system. Currently, our records show that Permit No. 5689-3 issued in 1992 has 360 acre-feet remaining in reserve. Permit No. 6834-3 issued in 2007 has 600 acre-feet remaining in reserve. Both permits were last reviewed in 2014.

Please respond in writing by June 1, 2021 regarding the system's intention for these future use permits. If the system plans to retain the permits, then the response should outline a reasonable need for retaining the future use permits, including an estimate of future needs.

The future use permits will then be public noticed at the system's expense and scheduled for review before the Water Management Board pursuant to SDCL 46-5-38.1. Notice will be given of the hearing time and place at a future date. The purpose of this review is to determine if a reasonable need exists for retaining the permits. A fee will be charged if the Board allows the permits to remain in effect after the hearing. The fee to be assessed will be dependent upon the amount of water allowed to remain in reserve. Assuming each permit is allowed to remain in effect for the entire acre-feet amount listed above, the fee for Permit No. 5689-3 would be \$85.00 and Permit No. 6834-3 would be \$105.00.

Please contact Ron Duvall or me if you have any questions.

Sincerely,

Karen Schlaak

WATER RIGHTS
PROGRAM

Karen Schlaak
Water Rights Program
Department of Agriculture & Natural Resources
Joe Foss Building, 523 East Capitol
Pierre, SD 57501

May 17, 2021

Dear Ms. Schlaak,

Thank you for the letter concerning our Future Use Water Permits, No. 5689-3 and 6834-3, both from the Big Sioux: Northern Skunk Creek Aquifer.

We are currently operating a micro-filtration water treatment plant utilizing this aquifer. This Treatment plant serves the Lake Madison and Lake Brant areas where we are continuing to see growth in the number of homes hooking up to the system.

We serve Dakota Ethanol 600,000 to 800,000 gallons per day since 2001, also from this aquifer. Dakota Ethanol is continuously updating their treatment process which may increase their water usage slightly. An overall expansion of the plant is also possible in the near future for which further allocations from the water supply would be required.

I hope the above examples illustrate that the future use permits are a very valuable tool when planning for the future economy and livelihood of this company and all the residents of Lake County, South Dakota.

Big Sioux Community Water System Inc. strongly wants to retain these future use permits and would very much appreciate the Board allowing us to retain them.

If I can be of any further assistance, please don't hesitate to contact me at the above address,

Sincerely

Jodi Johanson
General Manager

Big Sioux Community Water System, Inc.

**RECOMMENDATION OF CHIEF ENGINEER FOR FUTURE USE WATER PERMIT
NO. 6834-3, Big Sioux Community Rural Water System Inc.**

Pursuant to SDCL 46-2A-2, the following is the recommendation of the Chief Engineer, Water Rights Program, Department of Environment and Natural Resources concerning Future Use Water Permit No. 6834-3, Big Sioux Community Rural Water System Inc., Jodi Johanson, Manager, 23343 479th Ave, Egan SD 57024.

The Chief Engineer is recommending that Future Use Permit No. 6834-3 REMAIN in EFFECT for 600 acre-feet annually because 1) there is reasonable probability that there may be development of the water reserved under Permit No. 6834-3, 2) the system has demonstrated a reasonable need for the water reserved by Permit No. 6834-3, 3) the proposed use will be a beneficial use and 4) it is in the public interest.

Maintaining the effectiveness of Future Use Permit No. 6834-3 is subject to payment of the \$105.00 fee pursuant to SDCL 46-2-13(2) within 60 days of notice to the system after the Board hearing.

Eric Gronlund, Chief Engineer

THE CORRECT DATE, CONTACT
THE NEWSPAPERS RIGHT AWAY.

Big Sioux Community Water System Inc
Jodi Johanson, Manager
23343 479th Ave
Egan SD 57024

Dear Ms. Johanson:

Future Use Permit Nos. 5689-3 and 6834-3 will be reviewed for progress in the development and future plans for use of the water reserved. Water rights law requires publication of a notice in each county where water will be diverted or used. Notice of the review has been sent to the following papers:

- ✓ Madison Daily Leader 605 256-4555
- Moody County Enterprise 605 997-3725
- ✓ Brookings Register 605 692-6271
- ✓ Argus Leader 605 332-2200

For your information, a copy of the Chief Engineer's recommendations are enclosed. Please review this notice prior to publication and notify this office, if you have any corrections or questions.

BE SURE TO CONTACT THE ABOVE NEWSPAPERS IMMEDIATELY TO AUTHORIZE PUBLICATION OF THE NOTICE OF HEARING AND TO ARRANGE FOR PAYMENT. Early contact with the papers can eliminate delays. The publishers have been instructed to publish this notice on June 16, 2017. We must receive Proof of Publication before the future use reviews can be considered by the Water Management Board.

Sincerely,

Karen Schlaak

NOTICE OF HEARING TO REVIEW FUTURE USE WATER PERMIT NOS. 5689-3 and 6834-3

Notice is given that the Water Management Board will review Future Use Permit Nos. 5689-3 and 6834-3 held by Big Sioux Community Rural Water System Inc., Jodi Johanson, Manager, 23343 479th Ave, Egan SD 57024 for progress made in the development of the water reserved by the Permit and future plans for development of the water reserved by the permits.

Permit No. 5689-3 was approved in 1992 and currently reserves 360 acre-feet from the Big Sioux: Northern Skunk Creek Aquifer located in the N 1/2 NW 1/4 Section 9-T105N-R51W. Permit No. 6834-3 was approved in 2007 and currently reserves 600 acre-feet of water from the Big Sioux: Northern Skunk Creek Aquifer located in the SW 1/4 Section 16-T105N-R51W. The water is reserved for rural water system use in Lake, Brookings, Moody and Minnehaha Counties. The permits were last reviewed in 2014.

Pursuant to SDCL 46-2A-2 the Chief Engineer of the Water Rights Program recommends that Permit Nos. 5689-3 and 6834-3 REMAIN in EFFECT for 360 acre-feet annually and 600 acre-feet annually because 1) the reserved water may be developed, 2) there is need for the reserved water 3) the proposed use will be a beneficial use and 4) it is in the public interest.

The Water Management Board will conduct the hearing to review Future Use Permit Nos. 5689-3 and 6834-3 at 9:30 am, July 7, 2021, Floyd Matthew Training Center, Joe Foss Bldg, 523 E Capitol, Pierre SD.

The recommendations of the Chief Engineer are not final or binding upon the Board and the Board is authorized to 1) allow the permits to remain in effect, 2) amend the permits by adding qualifications, 3) cancel the permits for no development or no planned future development, or 4) take no action after it reaches a conclusion based upon facts presented at the public hearing.

Any interested person who may be affected by a Board decision and who intends to participate in the hearing before the Board and present evidence or cross-examine witnesses according to SDCL 1-26, must file a written petition with BOTH the permit owner and the Chief Engineer by June 28, 2021. The Chief Engineer's address is "Water Rights Program", Joe Foss Building, 523 E Capitol Ave, Pierre SD 57501 (605 773-3352) and the permit holder's mailing address is given above. The petition may be informal, but it must include a statement describing the petitioner's interest in the future use permits, the reasons for petitioner's opposition to or support of continuing the future use permits, and the signature and mailing address of the petitioner or his legal counsel if legal counsel is obtained. The permit owner need not file a petition.

The hearing to review Future Use Permit Nos. 5689-3 and 6834-3 will be conducted pursuant to the provisions of SDCL 46-1-14, 46-2-5, 46-2-9, 46-2-11, 46-5-38.1; Board Rules ARSD 74:02:01:25.01 thru 74:02:01:25.03 and contested case procedures contained in SDCL 1-26.

WATER RIGHTS
PROGRAM

This hearing is an adversary proceeding. The permit owner or any person, after filing a petition, has the right to be present or to be represented by a lawyer. These and other due process rights will be forfeited if they are not exercised. Decisions of the Board may be appealed to the Circuit Court and State Supreme Court as provided by law.

Any person wishing a copy of the Chief Engineer's recommendations, further information on the permits, to assure access to the hearing by the handicapped or obtain an interpreter for the hearing impaired may contact Ron Duvall, Water Rights Program, (605 773-3352) by June 28, 2021. The time of the hearing will be automatically delayed for at least 20 days upon written request of the permit owner or any person who has filed a petition to oppose or support continuance of the Future Use Permits. The request for a delay must be filed with the Chief Engineer by June 28, 2021.

According to SDCL 1-26-18.3, parties to a contested case may use the Office of Hearing Examiners to conduct a hearing if either a property right is being terminated or the dollar amount in controversy exceeds \$2,500.00. If any party chooses to use the Office of Hearing Examiners rather than the hearing procedure described above, then you need to notify the Chief Engineer (Water Rights Program 523 E Capitol Ave, Pierre SD) by June 28, 2021.

The recommendations of the Chief Engineer are not final or binding upon the Board and the Board is authorized to 1) allow the permits to remain in effect, 2) amend the permits by adding qualifications, 3) cancel the permits for no development or no planned future development, or 4) take no action after it reaches a conclusion based upon facts presented at the public hearing.

Any interested person who may be affected by a Board decision and who intends to participate in the hearing before the Board and present evidence or cross-examine witnesses according to SDCL 1-26, must file a written petition with BOTH the permit owner and the Chief Engineer by June 28, 2021. The Chief Engineer's address is "Water Rights Program", Joe Foss Building, 523 E Capitol Ave, Pierre SD 57501 (605 773-3352) and the permit holder's mailing address is given above. The petition may be informal, but it must include a statement describing the petitioner's interest in the future use permits, the reasons for petitioner's opposition to or support of continuing the future use permits, and the signature and mailing address of the petitioner or his legal counsel if legal counsel is obtained. The permit owner need not file a petition.

The hearing to review Future Use Permit Nos. 5689-3 and 6834-3 will be conducted pursuant to the provisions of SDCL 46-1-14, 46-2-5, 46-2-9, 46-2-11, 46-5-38.1; Board Rules ARSD 74:02:01:25.01 thru 74:02:01:25.03 and contested case procedures contained in SDCL 1-26.

This hearing is an adversary proceeding. The permit owner or any person, after filing a petition, has the right to be present or to be represented by a lawyer. These and other due process rights will be forfeited if they are not exercised. Decisions of the Board may be appealed to the Circuit Court and State Supreme Court as provided by law.

Any person wishing a copy of the Chief Engineer's recommendations, further information on the permits, to assure access to the hearing by the handicapped or obtain an interpreter for the hearing impaired may contact Ron Duvall, Water Rights Program, (605 773-3352) by June 28, 2021. The time of the hearing will be automatically delayed for at least 20 days upon written request of the permit owner or any person who has filed a petition to oppose or support continuance of the Future Use Permits. The request for a delay must be filed with the Chief Engineer by June 28, 2021.

According to SDCL 1-26-18.3, parties to a contested case may use the Office of Hearing Examiners to conduct a hearing if either a property right is being terminated or the dollar amount in controversy exceeds \$2,500.00. If any party chooses to use the Office of Hearing Examiners rather than the hearing procedure described above, then you need to notify the Chief Engineer (Water Rights Program 523 E Capitol Ave, Pierre SD) by June 28, 2021. Published once at the approximate cost of _____.

NOTICE OF ENTRY OF ORDER

Jodi Johanson, Manager
Big Sioux Community Water System Inc.
23343 479th Ave
Egan SD 57024

Dear Ms. Johanson:

I am writing in response to action taken by the Water Management Board at the hearing on July 7, 2021 to review Future Use Permit Nos. 5689-3 and 6834-3. The Board allowed Permit No. 5689-3 to remain in effect for 360 acre-feet of water annually and Permit No. 6834-3 to remain in effect for 600 acre-feet annually. Both permits are subject to another review in seven years.

The fee for maintaining the effectiveness of Future Use Permit No. 5689-3 is \$85.00 and Future Use Permit No. 6834-3 is \$105.00 (total \$190.00) pursuant to SDCL 46-2-13(2). Please make check payable to the Water Rights Program and remit the fee within 60 days.

Please contact Karen Schlaak, if you have any questions.

Sincerely,

Eric Gronlund, Chief Engineer
Water Rights Program
605 773-3352

DATE: 3-8-22

RE: Water Remaining in Future Use Permit Nos. 6834-3 and 6834A-3

COMMENTS:

Big Sioux CWS holds Future Use Permit No. 6834-3 which authorized 600 acre-feet of water for future use. No. 6834A-3 expanded the future use area described in No. 6834-3.

Water Right No. 8387-3 authorized construction and placement to beneficial use, 300 acre-feet of water annually reserved by No. 6834-3.

At this time, 300 acre-feet of water remains in No. 6834-3.

Karen Schlaak
