Date from which applicant may claim right October 4, 1961

Approved November 9, 1961, Recorded in Book 7 Page 17

This is to certify that we have examined the foregoing application for a permit to appropriate water of the State of South Dakota, and we hereby grant the same as stated herein, subject, however, to the following limitations and conditions:

1st. The equivalent of at least one-fifth of the work above specified is to be completed on or before June 9, 1962

2nd. The whole of said work is to be completed on or before November 9, 1962

3rd. The limit of time for proof of beneficial use of water appropriated in accordance herewith is

November 9, 1963

4th. The water appropriated shall be used for the purpose of municipal use

5th. The prior right of all persons who, by compliance with the laws of the State of South Dakota, have acquired a right to the use of water must not be injuriously affected by this appropriation.

6th. The amount of the appropriation herein granted shall not exceed 2.78 cubic feet per second; neither shall it exceed the capacity of the above described system of diversion works, nor the least amount of water that experience may hereafter indicate as necessary for the production of crops in the exercise of the best husbandry; and further, said appropriation must be limited to not more than one-seventieth (1/70) of one cubic foot of water per second of time for each acre of land to which water is actually

used for municipal purposes

and beneficially applied for irrigation on or before November 9, 1963; said water to be used during the following described annual period:
